This year we have a great agenda planned...
Learn lots, meet new people, network, and have a great time!!

We have the wonderful opportunity to have a few National speakers speak at our conference.
They are:

Scott Peterson
Office of Juvenile Justice and Delinquency Prevention
United States Department of Justice

Rachel's Challenge from Columbine High School in Colorado.

Rachel Scott was the first person killed at Columbine High School on April 20, 1999. Her acts of kindness and compassion coupled with the contents of her six diaries have become the foundation for one of the most life-changing school programs in America - Rachel's Challenge.

And our own Attorney General **Mark L. Shurtleff**
will be the Keynote speaker again at the Banquet.
